

We, TÜV Technische Überwachung Hessen GmbH are the certification body for Glencatec AG. We are an accredited certification body against the below mentioned standards.

We declare that Glencatec AG, situated at Freiburgstraße 634, 3192 Niederwangen, Switzerland has established a certified quality system for the scopes:

Development, manufacturing and distribution of hermetic glass encapsulation systems.

We audit Glencatec AG starting from now on a yearly basis. During the audits we look for adherence to the following standard:

DIN EN ISO 13485:2012

Should we discover any deviations, we ensure that they are corrected in a timely manner before issuing the final audit report and certificates.

The certification audit by TÜV Hessen at Glencatec AG took place on September 07 to 09, 2015. The audit result was positive: the quality system of Glencatec AG was generally found to be in compliance with the above mentioned standards. Only few minor nonconformities occurred, by acceptance of correction plan these will be closed. Certificates will be issued as soon as possible after closure of the nonconformities.
